Project Summary:

Music Buzz is an interactive blog site in which registered users can post and edit music reviews.

Content:

- Index.....A page showing non-members what to expect from the site as members.
- Home(Blog).....A page welcoming registered members to the site and latest reviews are posted here.
- Register.....A page in which users can register for an account which gives them access to special features of the site.
- Login.....A page in which users login to access special features of the site.
- Create New Post.....A page in which only registered and logged in users can post new reviews to the site.
- My Posts(Edit/Delete Post).A page in which only registered and logged in users can edit already submitted posts.
- Edit Profile.....A page in which registered user can edit his/her profile.
- View Profile.....A page in which you can view profile of a user.
- Super-Admin.....Administrative options which include edit/delete users or posts.
- Moderator.....Administrative page in which moderators can edit/delete posts.

Audience Profile:

Music enthusiasts aged 13 and up.

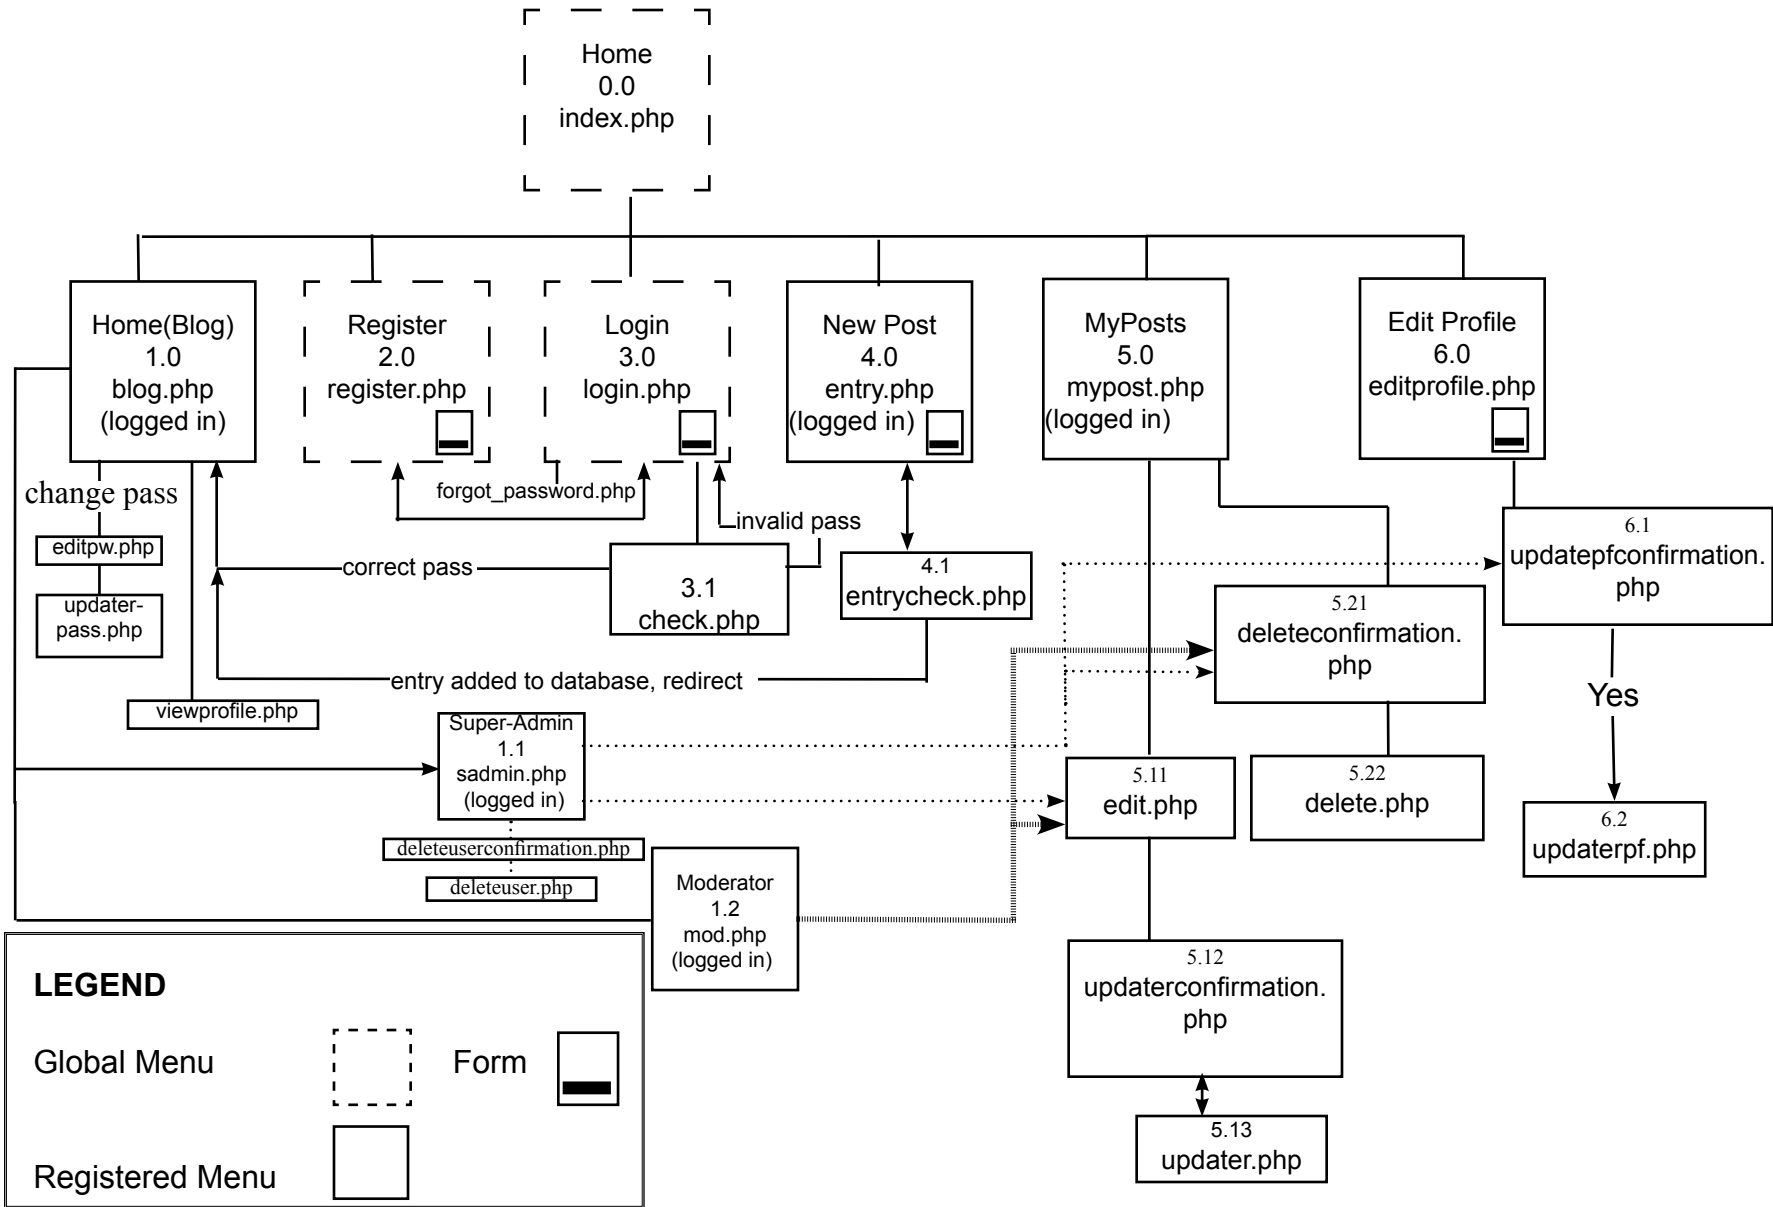

Perception/Tone:

Vibrant and Fun
